

Course: WSDOT Design Manual Update Training

Class Details: WSDOT Design Manual Update Training NCR

Course Name: WSDOT Design Manual Update Training

Class Name: WSDOT Design Manual Update Training NCR

Class Code: WSDOT 914644198

Class Description: This course was created to address the November 2015 updates and revisions to the updated Design Manual focusing on Division 11 (Practical Design approach). Prerequisite - Course Name: WSDOT Transition to Performance Based Design; this prerequisite course is a video by John Milton, Director of Quality Assurance and Transportation System Safety. In the video John describes the transition from standards based design to performance based design. John provides perspectives on transportation system safety, how we approach and document our designs, the importance of communication, quality, and approvals. It is highly recommended that students attending this course review the following materials: 1102.08(2) Supporting Information Understanding Flexibility in Transportation Design – Washington, WA-RD 638.1, WSDOT, 2005 <http://www.wsdot.wa.gov/research/reports/600/638.1.htm> Update class: DM 300, 1100-1106 Guidance Documents Information on WSDOT's Practical Design Procedures <http://www.wsdot.wa.gov/Design/Support.htm>
